Company Introduction

ReneSola (NYSE: SOL) is one of the world's largest and most reputable providers of sustainable energy solutions. Since 2005, ReneSola has earned a reputation for superior quality and production efficiency. The company has shipped millions of products to customers around the world, supported by offices in more than 20 countries. Drawing on its deep heritage in solar technology, ReneSola recently brought its expertise to the LED lighting sector. Through its exceptional manufacturing and sales channels, ReneSola produces and supplies a wide range of LED products to add value and meet ROI objectives for distributors' clients across a number of sectors.

Today, ReneSola offers a robust portfolio of LED lighting solutions to meet the unique needs of the industrial, commercial and residential sectors. Through its unyielding focus on innovation and expanded product lines, ReneSola is quickly becoming known as a global leader in the industry. With the support of its valued distribution network, ReneSola's mission is to help reduce lighting costs while enhancing environmental stewardship around the world.
